

Surveillance — ~~监督~~ 监督. (政府监督 public OO...)

different scope: { State power.
• (third-party). } Commercial power.

~~technical~~ (technically)

• Co-~ : by peers around you.

• self-~ :

adversarial ~ : police want you do, but you don't think that make sense.

non-adversarial ~ : people don't concern that they are being pushed.

dataveillance : continue stream online of meta data / information data.
be interpreted;

OO

being ^{one of} as the training data., you ~~still~~ ^{may} don't want to contribute to the technique used for the purpose you disagree with.
